LETTER FORWARDING CORRECTED FORMAL DRAWINGS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Four sheets of formal drawings containing Figs. 1-7 have been filed concurrently herewith attached to the specification in the present divisional application.

It has been discovered that the description in the specification directed to Figs. 4-7 beginning at page 12, line 22, states that all reference numerals in those figures are "preceded with the prefix '1'". However, the reference numerals in Figs. 4-7 in the drawings as originally filed are not preceded with the prefix "1".

Accordingly, enclosed are four (4) sheets of new formal drawings containing Figs. 1-7. Figs. 1 and 2 on the first sheet and Fig. 3 on the second sheet should be identical to Figs. 1-3 in the formal drawings as attached to the specification. Figs. 4-7 on

the second and remaining sheets should also be identical to Figs. 4-7 as in the formal drawings as attached to the specification except that the prefix "1" precedes each of the reference numerals so that the drawings submitted herewith conform to the description in the specification, beginning at page 12, line 22.

None of the corrections made on the drawings submitted herewith constitute new matter.

Accordingly, it is requested that the four sheets of formal corrected drawings submitted herewith be substituted for the four sheets of drawings attached to the specification.

Respectfully submitted,

Date: 7/17/03
